***All Nutcracker Performances to be
performed in our Black Box Theatre***

This year has been a challenge for the performing arts which makes us especially excited this year to present our 23rd Nutcracker in our Black Box Theatre. We will be transforming our Black Box Theatre into a magical Nutcracker world for **6 shows**. Our Nutcracker elves are already hard at work making special sets for us. We will have a limited amount of seating per show therefore we are limiting tickets to 2 tickets per family per cast. Our DAS youngest dancers are in one cast (Cast A, B or C) and two performances. We ask that parents purchase two tickets for only ONE performance. *As we get closer to the shows we may adjust ticket policy depending on the status of COVID.*

There will be a video of all shows on one DVD available for purchase. Tickets will be sold at DAS Stuart and Palm City. Visit the website for details.
